REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art of record discloses a gravity fed intravenous delivery system comprising a sensing mechanism with a sheath and electrical contacts, such that when the flow of the intravenous system is below atmospheric pressure, the sheath is pressed against the housing of the sensing device, and when the flow rises above atmospheric pressure, the fluid pressure causes the sheath to expand triggering an alarm.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
